

**Our user profile database indicates that your myCPSI email address has not been registered within CPSIQ.**

## **What is CPSIQ?**

CPSIQ is our Learning Management System (LMS), which provides training tools in various formats and allows managers to assign and track training goals for their teams. CPSIQ is your source for all current documentation, videos, presentation, workshops, webinars, etc. for the Thrive, Centriq, and AHT systems. You will need to register an account with CPSIQ in order to access these educational materials.

In order to access CPSIQ from the **Learning** button on myCPSI, the email addresses on both accounts must match. If you already have a valid account on CPSIQ with a different email address and would like to update it to match, or you need to have a CPSIQ account created for you, please contact the appropriate department listed below.

## **How do I register for CPSIQ access?**

- **Thrive Clients:** Please contact Thrive Learning Solutions or your Client Success Manager
- **Centriq Clients:** Please contact Centriq Learning Solutions
- **American HealthTech (AHT) Clients:** Please contact AHT Learning Solutions
